A word from Provost

It gives me immense satisfaction to review the milestones achieved by Karmaveer Bhaurao Patil University during the academic year 2023-24. The rural university envisioned by the founder of Rayat Shikshan Sanstha, Padmabhushan Karmaveer Bhaurao Patil, was established on 27th October, 2021. Rayat Shikshan Sanstha has a background of Karmaveer's ethical values, his dedication to the welfare of the masses, his vision for providing innovative education, the people he brought together, his work in all fields for the benefit of the common people, the incomparable work he did for equality and brotherhood, and his selfless, sacrificial life. The university's foundation is fortified by the constructive synergy of his loyal followers and 'Rayat' employees, driven by an administrative vision that is modern, proactive, well-planned, and community-centric.

Our university, which has gained momentum since 2021, is not only community-centric and socially conscious, but also constantly keeps watch on educational developments in the world and contemplates what would be useful for our India. Our university, being transparent, is consistent with the digital age. We have integrated e-governance and advanced technology into our administrative and academic frameworks. We are taking into account even the minutest issues of rural areas. By studying the obstacles in education, we are providing education that offers skills related to new industries within college and university education. Beyond academics, we emphasize the internalizing of constitutional values like equality, justice, and fraternity among our students. By focusing on the balanced use of technology and community participation, we are taking steady steps toward development by making the best use of available resources.

Reflecting on the key decisions and achievements in the academic year 2023-24, I realize that we have prepared and implemented the university curricula according to the National Education Policy 2020. Furthermore, our talented student, Ojas Deotale, brought international glory by winning the World Championship in Archery and was honoured with the Arjuna Award in India. This pinnacle success will serve as a constant inspiration to all our students in the university. Rayat Shikshan Sanstha and the university have appropriately honored this student. It is our expectation that many such students should emerge in various fields of knowledge.

To support education, training, research, and extension services, the university has established several specialized chairs: the Karmaveer Bhaurao Patil Chair for Social Inclusion, the Sou. Laxmibai Bhaurao Patil Chair for Women Empowerment, the Dr. Chintamanrao Dwarkanath Deshmukh Chair for Financial Inclusion, and the Dr. Pandurang Sukhatme Chair for Science for Sustainable Development. Recognizing that numerous job opportunities exist globally in various foreign languages, the university will sign Memorandum of Understanding (MoUs) with international institutions to teach these languages on campus. By acquiring

both linguistic and practical skills, students will be able to prove their potentialities with integrity abroad, contributing to their own growth as well as the development of those nations. For this, we have signed a Memorandum of Understanding (MoU) with the TongMyong University, Busan, South Korea, and approval has been granted to establish a Korean Language Study Centre at Chhatrapati Shivaji College. Recognizing that the aviation sector is growing rapidly with abundant career prospects, the university has introduced a three-year B.B.A. course in Aviation Management. Research funds have been generated to foster research initiatives and to provide financial assistance to both faculty members and students for their research endeavours. A significant highlight of the university's commitment to the conservation of Marathi language involves a research project focusing on the cultural and linguistic study of the Satara and Mandesh dialects, which aligns with the goals of Board Languages of the university. Another research project is going on in Statistics; a total grant of Rs.3,80,000/- has been sanctioned for these two research projects.

University has also launched a YouTube channel 'Karmaveer Vani' for broadcasting various academic and cultural programs of the university. It will accelerate the dissemination of knowledge. As an inspiring cluster university working in the rural landscape of Maharashtra, the administration has demonstrated exceptional diligence in mastering the intricacies of institutional management. This success has sparked significant interest among other educational institutions across the state regarding the operation of such universities. Consequently, many representatives have visited the campus of Karmaveer Bhaurao Patil University. To address this curiosity and support institutions interested in forming their own cluster universities, a specialized workshop was organized on January 6, 2024, featuring guidance from Vice-Chancellor Dr. D. T. Shirke, Vice-Chancellor Prof. Dr. Rajnish Kamat, and the Ag. Registrar of the university. The university's leadership has also been recognized at the state level, with Vice-Chancellor Dr. D. T. Shirke presenting on the role of universities in a developed India during a workshop hosted by the Hon'ble Governor in Mumbai. Recent milestones include the organization of 'Youth Festival' on February 3, 2024, and various lectures organized through the Lakshmibai Bhaurao Patil and the Dr. C. D. Deshmukh academic chairs. Furthermore, on February 27, 2024, the Board of Languages conducted a comprehensive workshop covering screenplay writing, direction, technology, and acting to equip students with skills in the arts and cinema.

Now in its second year of operation, the university continues to build on the invaluable legacy of the Rayat Shikshan Sanstha in cultivating a cultured society. The vision of Karmaveer Bhaurao Patil to establish a rural university has been realized through supportive government policies. Following his philosophy of using knowledge for the progress of the self, society, and the nation, the university is now dedicated to providing both education and vital employment opportunities. I thank everyone contributing to the university's mission as we strive to achieve excellence together.

Hon. Chandrakant Dalvi
Provost

A word from Vice Chancellor

The academic year 2023-24 marked a significant milestone in the growth of Karmaveer Bhaurao Patil University. The preceding academic year, 2022-23, served as the university's foundational period, during which, on the orders of the Hon'ble Chancellor, I had the privilege of assuming the responsibility of the first Vice-Chancellor on November 3, 2022. After taking charge, various officers of the university were appointed; the major challenge before us was the implementation of the National Education Policy (NEP) 2020. As all the constituent colleges were previously autonomous, the necessary groundwork was already in place; consequently, specialized committees were formed and workshops were organized to ensure the rigorous implementation of NEP 2020 at both undergraduate and postgraduate levels.

At a Board of Governance meeting on July 17, 2023, several pivotal decisions were made. These included the formal approval of the university logo, the establishment of four Schools for constituent colleges, the provision of necessary university funds, and the definition of financial delegation powers. Furthermore, a dedicated Research and Development (R&D) fund was created, special provisions were made for sports and culture; and various academic programmes and courses, and fee structures were finalized. Notably, the Saffron Flag was designated as the official university flag, and a Centre for Skill Development and Vocational Education was established. The university also successfully completed the requisite process for recognition under Section 2(f) of the UGC Act, resulting in its inclusion in the University Grants Commission's list as a State Public University.

During this academic year, the university introduced a specialized degree program, B.B.A. (Aviation Management), with official approval from the AICTE. During this academic year, 65 students across various disciplines were admitted to Ph.D. programs. The University Sports Department achieved remarkable success, highlighted by the archer Mr. Ojas Deotale, who reached the pinnacle of international performance and was honoured with the Arjuna Award by the Government of India. Simultaneously, the Board of Student Development demonstrated excellence at state and national levels through initiatives designed to nurture students' artistic talents. The 'Karmaveer Vani' YouTube channel was launched for broadcasting university programs, and 'Rayat Geet,' penned by poet Vitthal Wagh, was adopted as the official University Anthem. In order to promote research, the university sanctioned minor research projects focusing on local issues, namely 'A Linguistic and Socio-cultural Study of the Mandeshi Dialect' and 'A Study

of Deprivation of Villages in Satara District based on the Antyodaya Mission Database.' These projects are expected to serve as vital contributions to the study of local languages and regional challenges.

The three constituent colleges of the university are continuously working in alignment with the goals, objectives, and policies of the University Grants Commission (UGC), the Government, the parent institution, and the university itself. The university is working with great agility to ensure the effective implementation of the National Education Policy (NEP). We have maintained a strong focus on student-centric education and administration, making special efforts to provide high-quality education and training to students from rural areas. During this period, Hon. Chandrakant Dalvi, the Provost of the university, provided valuable guidance, and other officials extended their special cooperation. The university has gained significant momentum in a short span of time. Inspired by the legacy of social consciousness left by Karmaveer, I am firmly confident that this university will continue to contribute by identifying and addressing the needs of the underprivileged.

Hon. Prof. (Dr.) D.T. Shirke
Vice Chancellor

Karmaveer Bhaurao Patil University, Satara

A word from Chairman Annual Report Committee

Karmaveer Bhaurao Patil University, Satara, Maharashtra State, was established on 27 October 2021. The university is named after Karmaveer Bhaurao Patil (popularly known as Anna), the founder of Rayat Shikshan Sanstha, Satara, a pioneering social and educational institution dedicated to the upliftment of the masses. Rayat Shikshan Sanstha is deeply rooted in the principles of the Satyashodhak Movement and draws inspiration from the life and work of Mahatma Jyotirao Phule and Savitribai Phule. The institution has consistently upheld the belief that “there is no salvation without education,” emphasizing the indispensable role of education in empowering the downtrodden, marginalized, and deprived sections of society. Through its educational mission, Rayat Shikshan Sanstha has worked relentlessly to empower farmers, labourers, and socially backward communities by ensuring access to education, employment opportunities, and social awareness, thereby promoting social justice, equality, and human dignity.

In the progressive princely state of Karveer, Rajarshi Shahu Maharaj laid a strong foundation for social reform by establishing hostels for students belonging to various castes and communities. His humanitarian vision of working for the welfare of the people deeply influenced Bhaurao Patil. After receiving his education at the Digambar Jain Boarding, Kolhapur, Bhaurao Patil was inspired by these reformative efforts and initiated similar work by establishing a hostel at Dudhgaon, dedicated to the educational upliftment of rural and disadvantaged students. At a gathering of the Satyashodhak Samaj in September 1919, Karmaveer Bhaurao Patil firmly asserted that the progress of the masses could be achieved only through the establishment of educational institutions. This vision culminated in the founding of Rayat Shikshan Sanstha on 4th October 1919. Subsequently, in 1924, hostels were established at Kale and Nerle, further expanding the reach of education. In Satara, in front of the four pillars of his own boarding house, Karmaveer Patil nurtured the values of truth, equality, and social justice and established the Shahu Boarding, which became a cornerstone of Rayat Shikshan’s hostel-based education system. This great educational movement, initiated nearly a century ago, continues to thrive even today.

A historic moment in this journey occurred on 27th February 1927, when Mahatma Gandhi visited Satara to inaugurate the Shahu Boarding. Mahatma Gandhi lauded the work of Karmaveer Bhaurao Patil, recognizing its significant contribution to eradicating untouchability and fostering brotherhood among students. He remarked that Bhaurao Patil had accomplished through Rayat Shikshan what he himself could not fully realize at the Sabarmati Ashram.

During the initial phase of Rayat Shikshan Sanstha, the foundational educational efforts were greatly supported by the invaluable contribution of Laxmibai, the wife of Karmaveer. Through a comprehensive hostel-based education system, Karmaveer Bhaurao Patil ensured access to education at the primary, secondary, and higher education levels, particularly for students from rural and economically weaker backgrounds. His vision was to establish a rural university inspired by the ideals of Mahatma Gandhi.

Although this dream could not be realized during his lifetime, it remained a cherished aspiration of both Rayat Shikshan Sanstha and Karmaveer Patil. He passed away on 9 May 1959, leaving behind an enduring and transformative educational legacy. After his demise,

Karmaveer's associates, dedicated activists, teachers, and students, continued this mission with unwavering commitment. Their collective efforts strengthened and modernized the Rayat education system. As a result of this long-standing educational movement, Karmaveer Bhaurao Patil University, Satara, was eventually established under the University Grants Commission (UGC) framework for higher education expansion, and the university formally commenced its academic operations in 2021. Dr. D. T. Shirke assumed charge as the first Vice-Chancellor of Karmaveer Bhaurao Patil University on 3 November 2022 and initiated the academic and administrative functioning of the university. Thus, the long-cherished dream of Karmaveer Bhaurao Patil (Anna) has been fulfilled. Despite certain short-term challenges, the university is steadily progressing towards quality research, innovative academic practices, and meaningful contributions to the social and economic development of the region, in alignment with national goals. Through its academic, research, and extension activities, the university strives to promote human happiness, peace, and prosperity. By embracing the philosophy of self-reliant education, the university aims to represent the aspirations of the common citizen and is now confidently moving towards excellence in education at the global level. The present volume is the Annual Report for the Academic Year 2023–24, providing a comprehensive account of the university's academic, administrative, and extension activities.

This report has been prepared under the guidance and approval of the editorial and extension staff of the university and the Deans of various faculties, namely Prof. Dr. Anil Kumar Wavare, Prof. Dr. V. K. Sawant, Prof. Dr. R. B. More, Dr. Jay Chavan, and Prof. Dr. R. Salunkhe. The preparation of this report was made possible through the valuable support and cooperation of the university's Acting Vice-Chancellor Dr. Vijay Kumbhar, Acting Deputy Registrar Mrs. Nipane, Acting Registrar Mr. B. S. Avtade, Assistant Registrar Mr. S. N. Pawar, and senior clerks Mr. S. L. Kadam and Mr. S. B. Shinde. For the editorial compilation of the annual report, our colleagues from Vidarbha - Shri. Tanaji Devkule, Dr. Sandeep Kirdat, Dr. Amol Khobragade, Dr. Santosh Kamble, Dr. Uday Shinde, Dr. Suvarna Kurkute, and Dr. Mahendra Ahire-provided valuable information from their respective departments.

The printing of the report was undertaken by Mr. Krishna Chinchkar of Kalavishkar Graphics. Several university officials have contributed significantly to the successful completion of this publication. Principal Dr. Rajendra More of Chhatrapati Shivaji College, Satara, along with the faculty members of the Marathi Department, devoted their valuable time and efforts to this work. I express my sincere gratitude to all university authorities, officers, principals of constituent colleges, teaching and non-teaching staff for their wholehearted cooperation in making this annual report a success. Heartfelt thanks to all.

Prof. Dr. Subhash Waghmare

Chairman

The girls' team that participated in the South West Zone Inter-University Women's Boxing Competition

Memories of Karmaveer...

Karmaveer Bhaurao Patil University, Satara

• Annual Report - Academic Year 2023-24

TOWARDS ACHIEVING THE GOALS...

Karmaveer Bhaurao Patil University, Satara, established on October 27, 2021, under sub-section 6 of section 3 of the Maharashtra Public Universities Act, 2016 by the Government of Maharashtra, is a highly significant higher education institution. This university comprises three constituent colleges: Yashavantrao Chavan Institute of Science, Satara; Chhatrapati Shivaji College, Satara; and Dhananjayrao Gadgil College of Commerce, Satara, and Rayat Shikshan Sanstha is the parent institution.

Following its establishment, the university became formally operational on November 3, 2022, when the first Vice-Chancellor assumed office. The first annual report for the academic year 2022-23 was presented, outlining the commencement, review, and performance of various academic, research, and social initiatives since the university's inception. The report served as a testament to the successful efforts of the university's foundational year and underscored the strengthening of the academic and administrative systems.

The current report for the academic year 2023-24 provides a detailed review of the academic and research initiatives, extensions, and social contributions undertaken during the university's second year of operation. There has been increase in the number of undergraduate, postgraduate, and research courses across various faculties of the university. Specifically, the commencement of Ph.D. programs since June 2023 has provided a significant boost to research activities.

The university's comprehensive academic framework is being further equipped with the preparation to establish independent chairs (Adhyasanas) in subjects such as skill development courses, social inclusion, women empowerment, sustainable development, and financial management for the holistic development of students.

The university has enhanced its academic quality and curricular diversity through new educational initiatives such as the 'School of Computational Sciences', 'School of Humanities and Liberal Arts', 'School of Fine Arts', and the 'School of Banking, Finance and Management'. This has provided students and researchers with opportunities for in-depth and extensive education and research.

Karmaveer Bhaurao Patil University, Satara

In a global context, Karmaveer Bhaurao Patil University stands as a testament to the modern cluster university model, distinguished by the synchronized management of its constituent colleges and the seamless integration of multidisciplinary education and research. A particularly vital dimension of this institution is its dedicated focus on the conservation and promotion of the Marathi language and various tribal dialects. This commitment to local culture, woven into its core educational objectives, provides the university with a formidable identity within the competitive landscape of global academia.

Starting from the academic year 2023-24, the university has embraced the radical reforms introduced by the Government of India's National Education Policy (NEP) 2020. This policy aims to strengthen students intellectually, socially, and emotionally, equipping them to excel in the global challenges of the 21st century. The framework is defined by a multidisciplinary outlook, curriculum flexibility, credit-based systems, and an emphasis on skill-based learning and research exploration. By prioritizing instruction in the mother tongue and leveraging technology for inclusive, value-based education, the university has introduced the 'School of Studies' concept, the academic bank of credits, and the transformative multiple entry and multiple exit system. This shift has necessitated a comprehensive restructuring of the university's dimensions, with a specific focus on intensive teacher training and digital infrastructure, positioning the institution as a proactive leader in the shift toward equitable, high-quality education.

While developed nations such as the United States, Britain, Australia, Germany, and Finland emphasize industry-aligned skill development, research-centric education, and flexibility in curriculum; India's NEP 2020 harmonizes these international standards with uniquely Indian ethos. It views education not merely as a means of acquiring knowledge, but as a journey toward character building, social justice, and self-reliance. This approach creates a delicate balance between primary education in mother-tongues or regional languages and the integration of world-class technological tools, ensuring that students from both urban and rural backgrounds receive equal opportunities while reviving the rich traditions of Indian knowledge.

The implementation of this policy positions India to emerge as a global model for an educational system that will produce a new generation of multifaceted, creative, and self-reliant individuals. Grounded in the quartet of knowledge, skills, research, and social commitment, this system will not only enrich India's human resources but also elevate the nation as a knowledge-based superpower. Karmaveer Bhaurao Patil University, standing on this visionary foundation, is actively working toward fostering an empowered educational ecosystem that transits from local to global (Local to Global).

Globally, cluster universities characteristically prioritize research networks, international collaborations, innovation, and socially relevant research. Karmaveer Bhaurao Patil University has embraced these attributes through the implementation of diverse academic programs and research endeavours across social and economic domains, thereby exemplifying the institution's prestige and operational efficacy. From this expansive viewpoint, Karmaveer Bhaurao Patil University, Satara, stands as a model university within Maharashtra and the broader Indian higher education sector, distinguished by its

harmonious synthesis of exceptional academic excellence, profound social responsibility, and robust research proficiency. In the coming years, the university has resolved to achieve new heights in education by expanding international collaborations along with academic research initiatives and enhancing quality. This report serves as a document of the university's continuous progress, through which the university's notable successful initiatives and social contributions are highlighted.

2. Lead College and Constituent Colleges: Brief Introduction

2.1 Yashwantrao Chavan Institute of Science, Satara

Rayat Shikshan Sanstha's Yashwantrao Chavan Institute of Science, Satara is the lead college of Karmaveer Bhaurao Patil University. Chhatrapati Shivaji College is the first college of the Rayat Shikshan Sanstha, where the science stream was started in 1957. Later, in 1965, an independent college was established in honour of former Deputy Prime Minister of India, Hon'ble Yashwantrao Chavan, and named after him. Since then, it has remained one of the foremost colleges in the university's jurisdiction affiliated to Shivaji University. Now, it is one of the major colleges of Karmaveer Bhaurao Patil University, Satara, recognized by the Maharashtra state government as a state public university. With the objective of self-reliant education, this college carries forward the work of Rayat Shikshan Sanstha's founder, Padmabhushan Dr. Karmaveer Bhaurao Patil, and imparts knowledge of new streams in education to the masses of Maharashtra. The college has received an A+ grade from NAAC with a CGPA of 3.57. The institution secured NIRF ranks in the 101-150 and 151-200 bands in 2021 and 2022, respectively. Funding from prestigious government bodies such as DST, FIST, DBT-Star College Scheme, UGC-CPE, RUSA Component 8, UGC-Paramarsh Scheme, and Lead College status has already enhanced the college's credibility at the national level and strengthened its research and academic infrastructure. The institution's operations are ISO 9001:2015 compliant. In 2018, UGC granted the college autonomous status, empowering faculty to design and implement curricula aligned with societal and industry needs.

The institution has implemented NEP-2020 from the academic year 2023-24 at both undergraduate and postgraduate levels. It boasts well-equipped, state-of-the-art facilities worth Rs. 3.5 crore, including SEM, EDX, XRD, HPLC, FTIR, PCR, Gel Documentation System, Radleys A Parallel Synthesizers, UV-DRS, and more. The college has an advanced Office of Information Technology (OIT). It serves 4,095 students (most from rural backgrounds) and offers 30 undergraduate programs and 15 postgraduate programs across various streams. Through diverse UG programs in Biotechnology, Forensic Science, Food Technology, Animation Science, Nano Science and Technology, Material Science, Data Science, Artificial Intelligence, Bio-Informatics, Music Science, Instrumentation Science, Economics, and others, it provides opportunities for advanced knowledge to students. Additionally, it offers professional, technical, and research-oriented education through various diplomas, advanced diplomas, skill-based, and research-oriented courses. The curriculum adopts a student-centric approach. Over the past five years, focus has been placed on securing placements for students in industry, academia, and self-employment sectors in good numbers. Accordingly, a range of skill-based and value-based diploma courses is also provided to help students adapt to contemporary needs.

Karmaveer Bhaurao Patil University, Satara

This year 2023-24 was extremely fruitful and challenging; the college excelled in cultural, sports, and academic initiatives, thereby strengthening its position. The cultural department won 28 prizes in 6-7 art forms such as group singing, one-act plays, skits, short films, and group dance from the district level to the state level, and also enhanced the pride of meritorious students by spending Rs. 2,22,865/- during the distribution of over 240 awards. Significant achievements were recorded in the sports field as well. International Yoga Day (21 June) and National Sports Day (on the birth anniversary of Major Dhyan Chand) were celebrated with great enthusiasm; basketball training has started in the college, with about 40 students participating daily in that class. Under 'The Sports Prabhodhini', camps were organized in badminton, table tennis, cricket, and basketball, involving 195 senior and 289 junior players for training. In the West Zone Inter-University Championship, 58 players from the college gave excellent performances, with special mention of Sudeshna Shivankar (athletics, two gold prizes), All India Inter-University silver medal in boxing by Arya Bartakke, and silver medals won by Sahil Jadhav, Satvik Pandit, Prajwal Jadhav in archery, as well as Rohan Pawar (fencing). Additionally, Sudeshna Shivankar won gold in 100m and silver in 200m at the 'Khelo India' championship in Odisha, earning the title of the fastest woman sprinter for two consecutive years. The academic and research field also recorded commendable performance; six research projects from the Chemistry and Physics departments were approved funding of Rs. 10,90,000/-, while 10 students each enrolled in German and Japanese language courses. Along with this, initiatives like 'Earn and Learn', Science Fair, social work extension activities, and new programs under the guidance of Principal Dr. B.T. Jadhav were implemented. Through all these efforts, the college established its prowess in cultural, sports, research, linguistic, and social work and extension, and by consistently performing at national and international levels, it has created a brilliant tradition.

2.2 Chhatrapati Shivaji College, Satara

Karmaveer Bhaurao Patil alias Anna started the first college of Rayat Shikshan Sanstha, which is Chhatrapati Shivaji College, Satara. This college was established in June 1947. Earlier, there were senior colleges in cities like Pune, Kolhapur, Mumbai, etc. offering higher education. It was not affordable for the children of the masses to pursue education there, so to provide higher education facilities to economically and socially underprivileged meritorious students, he started this college. It was a free and residential college. It was here that the 'Earn and Learn' scheme was nurtured. Anna's expectation was that students should complete their education through their own labour. 'Education through self- help' is the motto of Rayat Shikshan Sanstha. The Rayat Shikshan Sanstha was established on 4 October 1919 in Kale village, and although hostel-based education was provided in Kale and Nerle, later, it did not gain momentum. In 1924, Karmaveer himself started a hostel at his residence. Raised in the culture of Satyashodhak Samaj, Karmaveer educated students from both touchable and untouchable communities together in his hostel. Rejecting caste and religious discrimination, he went from village to village to bring children to education. In 1927, Mahatma Gandhi visited the hostel. Gandhiji named the hostel 'Shri Chhatrapati Shahu Boarding'. In an era when Mahars and Mangs, such Harjans, were considered untouchables and not even touched, Karmaveer housed children from all castes in the same

boarding and educated them a great task. Impressed by this, Gandhi said, "What I could not do at Sabarmati, you are doing, Bhaurao". Later, he also provided assistance to Rayat Shikshan Sanstha from the Harijan Fund. Due to the establishment of high schools for primary and secondary education, students were receiving education. After matriculation, students had to go to cities like Pune, Kolhapur, Mumbai for higher education, where they faced hardships. Therefore, Karmaveer desired a college in Satara itself. From 1944, he met everyone and sought help by talking to people. Finally, although he wished to start a science college, he eventually started an arts college. This is Chhatrapati Shivaji College. He named the college after the epoch-making ethical king, founder of Swarajya, Chhatrapati Shivaji Maharaj. Malojiraje Naik Nimbalkar of Phaltan had given him the Phaltan Niwas building and 10 acres 5 gunthas of land. Maharaja Sayajirao High School was also previously started at Phaltan Niwas. On 15 June 1947, the operations of Chhatrapati Shivaji College began. At that time, the college had no other buildings; Dhondji Patloji Bhosle of Nagzari village donated Rs. 30,000/- in those days. The college started in Phaltan Niwas with only 17 students. During this period, in 1948, the government stopped the grant to Rayat Shikshan Sanstha, leading to financial difficulties in running the Sanstha and maintaining the students, but the public provided great help. The District Local Board gave an annual donation of Rs. 5,000/-.

Until 1950-51, the college operated exclusively as free and residential. However, from 1951-52 onwards, the institution decided to charge tuition fees. For the first 10 years, the college offered only the arts stream. In 1954, subjects like English, Marathi, and Economics were introduced for undergraduate degrees. Science stream began in 1957 at the same college. Commerce stream followed in 1960. As student numbers grew, the institution established Yashavantrao Chavan Institute of Science as a separate college from June 1965. Similarly, from June 1971, the commerce stream was separated to form Dhananjayrao Gadgil College of Commerce, Satara. Initially affiliated to Mumbai University, the college later affiliated to Pune University, then Shivaji University, and now functions as a constituent college of Karmaveer Bhaurao Patil University.

Chhatrapati Shivaji College has established its independent identity as an arts college. Today, it offers both undergraduate and postgraduate education with 10 departments: language departments (Marathi, English, Hindi, Sanskrit) and social science departments (Geography, History, Political Science, Economics, Sociology, Psychology). Since the establishment of Karmaveer Bhaurao Patil University, these departments have gained recognition as Ph.D. research centres where students are pursuing their research. A B.Voc. degree course in Media and Entertainment is also available in the college. In 2017, the college achieved an 'A+' grade in its third assessment and utilized RUSA grants for quality enhancement, infrastructure, and skill development. Alumni contributions are exemplary; a former student of the college, Loknete Ramsheth Thakur, built and donated the grand 'Loknete Ramsheth Thakur Bhavan' building at his own expense. Short-term courses for skill development are offered.

In the academic year 2023-24, the college achieved remarkable milestones across various fields. Ojas Deotale brought global glory to the institution by becoming a World

Karmaveer Bhaurao Patil University, Satara

Champion in Archery; he was further honoured with the prestigious Arjuna Award by the President of India. 474 students participated in various sports competitions. Cultural achievements include national-level prizes in Lavani dance, and outstanding success in NCC camps. Skill development encompasses 39 courses, 'Earn and Learn' with 63 students experimenting in farming and other ventures, trade fairs, language festivals, constitution awareness programs, awareness for education of Pardhi tribe students, Korean language centre, NET/SET exam guidance, Avishkar research competition, State Election Commission's best college award, research paper presentations at international-level, ideal Principal Award, Yashwantrao Chavan award, MoUs with various colleges and university departments, success in competitive examinations numerous new educational advancements are occurring under Principal Dr. Rajendra More's guidance, with Rayat Shikshan Sanstha's encouragement, support, and organized efforts from students, faculty, and administrative staff.

2.3 Dhananjayrao Gadgil College of Commerce, Satara

Dhananjayrao Gadgil College of Commerce, Satara has been functioning as a constituent college of Karmaveer Bhaurao Patil University, Satara. Established in June 1971, it is named after the renowned economist, former Deputy Chairman of the Planning Commission, Late Dhananjayrao Gadgil, who was the devoted follower of Padmabhushan Dr. Karmaveer Bhaurao Patil. The college received autonomous status from the University Grants Commission (UGC) in 2016. Prior to becoming a constituent college, it was affiliated to Shivaji University, Kolhapur. It is a single college offering commerce education in both English and Marathi mediums. The campus is beautiful with well-equipped infrastructure and modern technological facilities for students and faculty. Currently, it offers 6 undergraduate and 3 postgraduate programs, along with a wide range of vocational and skill-based add-on courses providing multifaceted benefits through comprehensive services and interdisciplinary activities. The college has secured 'A++' grade from the National Assessment and Accreditation Council (NAAC) in its fourth cycle and ISO-9001:2015 recertification. It also holds UGC-CPE (College with Potential for Excellence) and PARAMARSH status.

The college consistently strives for excellence in academic, co-curricular, and social spheres. It aims to emerge as a 'Centre for Excellence' by providing quality education, research, and training to all sections of society.

Vision: *To become a leading institution in commerce and management, delivering quality education and achieving excellence in research, innovation, and development to emerge as an innovative research centre.*

Mission: *In alignment with the ideals of the Rayat Shikshan Sanstha, the college is committed to providing quality education through undergraduate, postgraduate, and research programs in commerce, accountancy, and management-related subjects.*

Salient Features: *Rayat Shikshan Sanstha is an institution with a glorious tradition, dedicated to providing quality education to the underprivileged sections of society.*

- *Visionary, democratic, and committed management*
- *An 8-acre eco-friendly campus designed for academic excellence*

- Academic flexibility with 18 vocational courses alongside undergraduate, postgraduate, and research programs.
- Effective leadership and efficient management.
- A glorious 51-year journey of social and economic empowerment.
- Trained, experienced, tech-savvy, and dedicated faculty.
- Efficient IBPS centre (for banking entrance exams)
- Innovative Trade Fair Day (initiative to promote business and entrepreneurship)
- Functional placement cell provides employment opportunities to students
- RUSA beneficiary college
- UGC-CPE (College with Potential for Excellence) and PARAMARSH status achieved
- ISO 9001:2015 recertification
- Ranked among the top 150 colleges in India under NIRF (National Institutional Ranking Framework)
- Recognized as an efficient autonomous college across India
- Process and design patents conceptualized and published by faculty
- Library equipped with abundant resources and ICT (Information and Communication Technology) facilities
- IGNOU distance education facility available
- Linkages and collaborations with industries, research institutions, and NGOs through the placement cell
- Effective implementation of National Education Policy 2020 (NEP 2020)

3. Important Decisions of the General Council, Board of Governance, and Academic Council

3.1 Board of Governance

In the meeting held on 17 July 2023, approval was granted to the following:

- Changes in the university logo, constituent colleges, and staff
- Establishment of four schools and creation of a university fund
- Financial powers
- Allocation of Rs. 50 lakhs for research and development fund
- Determination of fees for various programs
- CAS (Career Advancement Scheme)
- Approval for the minor research project synopsis on 'Satari and Manadeshi Dialects, Linguistic, and Folk Culture Studies'
- Approval for the minor research project Synopsis on 'Study of Backwardness of Villages in Satara District Based on Unnat Bharat Abhiyan Database'
- Approval to start the Ph.D. programme
- Award of one lakh rupees to Ojas Deotale
- Recognition granted to the YouTube channel "Karmaveer Vani"
- Approval to start the "Pioneer College Scheme"
- Approval to publish an advertisement on 18 March 2024 in all editions for the appointment of the Vice-Chancellor

Karmaveer Bhaurao Patil University, Satara

- Appointment of Dr. Babasaheb Kangune as Coordinator for the establishment of the Korean Language Centre
- Decision to award research scholarships
- The song "Rayat Geet" written by Vitthal Wagh is recognised as the official song of the university
- The saffron-coloured University flag is approved
- The University emblem is approved

3.2 During the period from 3 November 2022 to 13 June 2024, the following important decisions were taken:

- Appointment of the Board of Directors, Deans and Officers
- Establishment of departments and establishment of a Skill Development Centre
- Obtaining the 2 (f) and AISHE code
- Starting the B.B.A. and Ph.D. programmes
- On 12 June 2024, as per the orders of the Chancellor, Principal Dr. Dnyandeo Mhaske assumed charge as Vice-Chancellor on 14 June 2024
- Approval was granted to increase the number of stars in the university emblem from 5 to 7

3.3 Academic Council:

During the academic year 2023-24, discussions were held and decisions were taken on several matters.

In the meeting dated 12 July 2023, Ph.D. fee for regular students was fixed at Rs.19,050 and for in-service students at Rs.23,050.

- The academic annual plan (term plan) was approved as follows:

Semester	Period
First Semester:	19 June 2023 to 30 November 2023
Mid-term break:	19 September to 23 September 2023
Winter vacation:	9 to 25 November 2023
Second Semester:	1 December 2023 to 30 April 2024

- In the meeting dated 17 July 2023, the minor research project titled "A linguistic and cultural study of the Satari and Mandeshi dialects" submitted by Dr. Vidya Navadkar (Department of Marathi) was approved.
- Research centres and laboratories in various departments were granted recognition for 3 years.
- In the meeting dated 17 May 2024, it was decided to affiliate R.I.R.D. to Karmaveer Bhaurao Patil University.
- On 18 March 2024, under Item No.12, a committee was constituted to select the University's emblem and motto. Chairperson: Hon'ble Prin. Dr Dnyandeo Mhaske.
- On 15 March 2024, an advertisement was published for the appointment of the Vice-Chancellor.
- In accordance with the National Education Policy 2020, it was decided that the duration of a class shall be 60 minutes.

Consolidated conclusion: Since Dr. D. T. Shirke assumed charge as Vice-Chancellor on 3 November 2022, during the period of one and a half years, many important decisions were taken to meet the basic needs of the university, and their implementation was initiated.

The college provides opportunities by providing 02 postgraduate diplomas, 02 diplomas, 01 advanced diploma and 32 certificate level courses to the students. Dr. S. J. Kirdat worked as the coordinator of the skill development cell. Also, 29 different types of courses were successfully planned in Dhananjayrao Gadgil College of Commerce which included 06 career oriented diplomas, 06 advanced diplomas and 06 certificate level courses and 11 skill development related courses. Dr. T. D. Mahanwar worked as the coordinator of the skill development cell.

13.1 Yashwantrao Chavan Institute of Science, Satara Diploma Program

Sr. No.	Department	Name of Diploma Program	Duration	Student Strength
1.	Chemistry	Processing and Packaging of household products	36 Months	148
2.	Botany	Horticulture Practices	36 Months	77
3.	Mathematics	Mathematical Modelling and Programming	36 Months	51
4.	Microbiology	Microbiology Quality Control	36 Months	147
5.	Zoology	Nutrition and Dietetics	36 Months	69
6.	Physics	Instrumentation	36 Months	32
7.	Electronics	Embedded System Design	36 Months	84
8.	Statistics	Statistical Data Analysis	36 Months	97
9.	English	Soft Skill Development	36 Months	39
10.	English	Personality Development	36 Months	28
11.	Computer Science Optional	Web Development	36 Months	277
12.	Computer Science Entire	Artificial Intelligence with Python	36 Months	307
13.	Biotechnology	Plant Tissue Culture	36 Months	166
14.	Nanoscience and Technology	Industrial Nanotechnology	36 Months	55
15.	Animation Science	Film Making	36 Months	172
16.	Forensic Science	Investigative tools and techniques in Forensic Ballistics	36 Months	234
17.	Food Technology	Food Analysis and Quality Assurance	36 Months	143
18.	B.Voc.	Cloud Computing	36 Months	195
19.	Drug Chemistry	Medicinal chemistry	36 Months	53
20.	Material Science	Metallurgy	36 Months	33

Sr. No.	Department	Name of Diploma Program	Duration	Student Strength
21.	Music Science	Music Science	36 Months	Nil
22.	Animation Science	Fine Art	36 Months	Nil
23.	Data Science	Database Administrator	36 Months	99
24.	Computer Application	Graphic Designing	36 Months	101
25.	Artificial Intelligence	Data Exploration using Python	36 Months	111

13.1.2 List of Advanced Diploma Program

Sr. No.	Department	Name of Advanced Diploma Program	Duration	Student Strength
1.	Chemistry	Physico-Chemical Analysis	24 Months	125
2.	Chemistry	Synthesis and Processing of Dye	24 Months	76
3.	Physics	Material Science	24 Months	26
4.	Zoology	Bio-Medical Instrumentation	24 Months	18
5.	Botany	Processing and Packaging Herbal Products	24 Months	17
6.	Microbiology	Entrepreneurship in Microbiology	24 Months	75
7.	Statistics	Statistical Analysis using Python	24 Months	84
8.	Computer Science	Agile Project Management	24 Months	45
9.	Mathematics	Latex Software and Advanced Scilab	24 Months	29
10.	Electronics	Internet of Things	24 Months	42
11.	Biotechnology	Bioinstrumentation	24 Months	73
12.	Fisheries	Aquarium Construction and Ornamental Fish Breeding	24 Months	05
13.	Food Technology	Food Safety and Quality Management	24 Months	34
14.	Forensic Science	Information Security and Cyber Forensics	24 Months	28
15.	Animation Science	3D Architectural Design	24 Months	18
16.	Data Science	Data Analytic Tools (Tableau)	24 Months	14
17.	Electronics	Matlab Programming	36 Months	81
18.	Physics	Maintenance and Repairing of Domestic Electrical Appliances	36 Months	42

13.1.3 Skill Courses

Sr. No.	Department	Name of Programs	Duration	Student Strength
1	Chemistry	Basics of Chemical Lab Technician	6 Months	84
2	Botany	Basics in Medicinal Plant Expert Assistant	6 Months	22
3	Plant Protection	Basics in Sugar Cane Cultivation Expert	6 Months	15
4	Zoology	Basics in Ecotourism Guide Assistant	6 Months	27
5	Microbiology	Basics in Sterile Processing Technician	6 Months	78
6	Physics	Basics in Technical Helper Electrical skills	6 Months	30
7	Electronics	Power Supply Design and Maintenance Technician	6 Months	75
8	Mathematics	Basics in Tally Operator	6 Months	15
9	Statistics	Basics of Data Visualization	6 Months	42

Sr. No.	Department	Name of Programs	Duration	Student Strength
10	Computer Science	Basics in Database Analyst	6 Months	112
11	Animation Science	Basics of 2D Animation Background Artist	6 Months	68
12	B. Voc.	Basics of Vector Art Designer	6 Months	68
13	Biotechnology	Basics in Biotechnology E -Banking Assistant	6 Months	58
14	Food Technology	Basics of Fruits and vegetables drying and dehydration Technician	6 Months	41
15	Nano Science and technology	Basics in Assistant Nanoanalyst	6 Months	25
16	Forensic Science	Basics in Private Investigator Assistant	6 Months	80
17	Computer Science (Entire)	Basics in Photoshop Designer	6 Months	108
18	Material Science	Basics in Foundry Technician	6 Months	Nil
19	Drug Chemistry	Basics in Quality Control Analyst	6 Months	24
20	Fisheries	Basic techniques in fish identification	6 Months	4
21	Military Science and NCC	Indian Physiography	6 Months	6
22	Computer Application	Basics in Computer Hardware Assistant	6 Months	102
23	Data Science	Basics in Excel Expert	6 Months	87
24	Artificial Intelligence	Basics in Computer Vision	6 Months	111
25	Chemistry	Advances of Chemical Lab Technician	6 Months	84
26	Botany	Advances in Medicinal Plant Expert Assistant	6 Months	22
27	Seed technology	Advances in Sugar Cane Cultivation Expert	6 Months	15
28	Zoology	Advances in Ecotourism Guide Assistant	6 Months	27
29	Microbiology	Advances in Sterile Processing Technician	6 Months	78
30	Physics	Advances in Technical Helper Electrical skills	6 Months	30
31	Electronics	Mobile repairing and software installation technician	6 Months	75
32	Mathematics	Advances in Tally Operator	6 Months	15
33	Statistics	Advances of Data Visualization	6 Months	42
34	Computer Science	Advances in Database Analyst	6 Months	112
35	Animation Science	Advances of 2D Animation Background Artist	6 Months	68
36	B. Voc.	Advances of Vector Art Designer	6 Months	68
37	Biotechnology	Advances in Biotechnology E -Banking Assistant	6 Months	58
38	Food Technology	Advances in Foods and Vegetables drying and dehydration technician	6 Months	41
39	Nano Science and technology	Advances in Assistant Nanoanalyst	6 Months	25
40	Forensic Science	Advances in Private Investigator Assistant	6 Months	80
41	Computer Science (Entire)	Advances in Photoshop Designer	6 Months	108
42	Material Science	Advances in Foundry Technician	6 Months	Nil
43	Drug Chemistry	Advances in Quality Control Analyst	6 Months	24
44	Fisheries	Advances techniques in fish identification	6 Months	4
45	Military Science and NCC	SSB Interview Screening Techniques	6 Months	6
46	Computer Application	Advances in Computer hardware Assistant	6 Months	102
47	Data Science	Advances in Excel Expert	6 Months	87

Karmaveer Bhaurao Patil University, Satara

Sr. No.	Department	Name of Programs	Duration	Student Strength
48	Artificial Intelligence	Advances in Computer Vision	6 Months	111
49	CIII (All professional courses)	Innovation and Design thinking	6 Months	900
50	Chemistry	Water Quality Technician	6 Months	11
51	Botany	Nursery Assistant	6 Months	20
52	Plant Protection	Fruit Packing Technician	6 Months	25
53	Zoology	Poultry Farm Supervisor	6 Months	5
54	Fishery Science	Ornamental Fish Technician	6 Months	12
55	Microbiology	Entrepreneurship Skill in Industrial Microbiology	6 Months	32
56	Biochemistry	High-Performance Liquid Chromatography (HPLC) Technician	6 Months	22
57	Physics	Solar Panel Installation Technician	6 Months	08
58	Astrophysics	Telescope Assistant	6 Months	11
59	Electronics	Home Appliances Installation and Maintenance Technician	6 Months	35
60	Mathematics	Geogebra Application Developer	6 Months	13
61	Statistics	Equity Dealer Assistant	6 Months	14
62	Computer Science	Multimedia analyst and animator	6 Months	106
63	Animation Science	3D Maya Animator	6 Months	55
64	B. Voc.	Blockchain security assistant	6 Months	54
65	Biotechnology	Biotechnology Marketing Assistant	6 Months	40
66	Food Technology	Jam, Jelly and Ketchup Processing Technician	6 Months	39
67	Nano Science and technology	Nano Technology Industrial marketing techniques	6 Months	16
68	Forensic Science	Fingerprint Analyst	6 Months	78
69	Computer Science (Entire)	Coral Draw Designer	6 Months	95
70	Material Science	Foundry Technician	6 Months	Nil
71	Drug Chemistry	Quality Control Analyst	6 Months	14
72	CIII (All professional courses)	Startup and Entrepreneurship	6 Months	268
73	Chemistry	Pickle making technician	6 Months	27
74	Chemistry	Pickle Packaging Technician	6 Months	27
75	Botany	Fruits Canning Technician	6 Months	26
76	Zoology	Dairy Farm Supervisor	6 Months	15
77	Microbiology	Food Safety analyst	6 Months	30
78	Physics	Repairing and Maintenance of solar panels	6 Months	26
79	Electronics	Video Audio Recording and Editing Technician	6 Months	33
80	Mathematics	Mathematica Software	6 Months	18
81	Statistics	Data Analyst using Python software	6 Months	51
82	Computer Science	Software Tester	6 Months	98
83	Animation Science	Z-Brush Modelling Artist	6 Months	48
84	B. Voc.	Automation Tester Assistant	6 Months	58

Sr. No.	Department	Name of Programs	Duration	Student Strength
85	Biotechnology	Biotech Industry Customer Relationship Assistant	6 Months	67
86	Food Technology	Fruits and Vegetable Processing	6 Months	47
87	Nano Science and technology	Nano science Entrepreneur Skills	6 Months	17
88	Forensic Science	Crime Scene Investigation Assistant	6 Months	53
89	Computer Science (Entire)	Website Designer	6 Months	107
90	English (General Science)	Assistant Counselor	6 Months	Nil
91	English (General Science)	Communication skill for Entrepreneur	6 Months	30
92	Placement Cell	Career and Guidance Counselor	6 Months	Nil
93	Competitive Examination	Foundation skill Course I	6 Months	Nil
94	Competitive Examination	Foundation skill Course II	6 Months	Nil
95	Competitive Examination	Foundation skill Course III	6 Months	Nil
96	Material Science	Foundry Technician	6 Months	Nil
97	Drug Chemistry	Quality Control Analyst	6 Months	10
98	CIII (All professional Courses)	Business Model and Practice Venture	6 Months	535
99	CIII (All General Science)	Innovation and Entrepreneurship	6 Months	268
100	Chemistry	GC & AAS Instrument: Assistant Technician	6 Months	120
101	Zoology	Health Nutritionist Assistant	6 Months	13
102	Physics	Solar Photovoltaic Assistant	6 Months	09
103	Mathematics	Machine learning with python	6 Months	11
104	Electronics	Robotics Programming and Maintenance	6 Months	29
105	Statistics	Data Analyst using Statistical Analysis system software	6 Months	42
106	Botany	Mushroom Cultivator	6 Months	07
107	Microbiology	Biosafety Consultant	6 Months	44
108	Biotechnology	Clinical Drug Development Assistant	6 Months	38
109	Fishery Science	Fish Food and Byproduct Technician	6 Months	03
110	Food Technology	Food Supply Chain Manager	6 Months	20
111	Computer Science	Digital Marketing Assistant	6 Months	33
112	Animation Science	Digital Matte Painter	6 Months	07
113	Forensic Science	Digital Forensics and Data Recovery	6 Months	15
114	Data Science	Business Intelligence Analyst	6 Months	06
115	CIII	Innovation and Project Management	6 Months	396
116	Chemistry	Instrumental Techniques in Chemistry	6 Months	94
117	Zoology	Assistant Diet Counselor	6 Months	05
118	Physics	Photothermal System Assistant	6 Months	20
119	Mathematics	MATLAB Developer	6 Months	26
120	Electronics	Artificial Intelligence Developer	6 Months	17
121	Statistics	Data Analytics	6 Months	44
122	Botany	Polyhouse and greenhouse consultant	6 Months	12
123	Microbiology	Microbiology Lab Instrument Expert	6 Months	33

Karmaveer Bhaurao Patil University, Satara

Sr. No.	Department	Name of Programs	Duration	Student Strength
124	Biotechnology	Clinical Research Data Analyst	6 Months	36
125	Fishery Science	Fish Nutrition and Feed Technician	6 Months	02
126	Food Technology	Beverages Technician	6 Months	15
127	Computer Science	Social Media Marketer	6 Months	20
128	CIII	Startup and Entrepreneurship: An Approach for Sustainable Economy	6 Months	325
129	Animation Science	Post Production Artist	6 Months	11
130	Forensic Science	Ethical Hacker	6 Months	14
131	Data Science	Data Security officer	6 Months	08

13.2 Chhatrapati Shivaji College, Satara.

Sr. No.	Course name	Department	Duration	Enrolled Students
01	Post Graduate Diploma Course in Digital Cartography(GeospatialTechnology)	Geography	12	15
02	Post Graduate Diploma Course in Psychology School Counselling (PGDSC)	12	11	
03	Diploma Course in Geoinformatics	Geography	12	24
04	Diploma Course in Beauty & Wellness	Economic		16
05	Advance Course in Beauty & Wellness	Economic		10
06	Certificate Course in Communication Skills	English	02	94
07	Certificate Course in German	English	01	03
08	Certificate Course in Event Management	English	03	37
09	Certificate Course in Music	English	03	18
10	Certificate Course in Japanese, N-5 Examination	Marathi	06	-
11	सूत्रसंचलन व निवेदन प्रमाणपत्र कोर्स	Marathi	01	102
12	Certificate Course in Journalism	Marathi	03	107
13	आवाज संवर्धन व संभाषण कौशल	Hindi	03	65
14	भारतीय रेल : स्वरूप और अवसर प्रमाणपत्र कोर्स	Hindi	03	152
15	Certificate Course in Drawing Foundation	Hindi	02	80
16	Certificate Course in Warli Painting	Sanskrit	01	13
17	Certificate Course in Beauty &Wellness	Economic	01	23
18	Certificate Course in Making Bakery Products	Education	01	18
19	Certificate Course in Travel and Tourism Management	History	01	114
20	Certificate Course in Modi Script	History	02	190
21	Certificate Course in Childand Women Studies	Sociology	02	66
22	Certificate Course in Study of Social Welfare and Legislation	Sociology	02	50
23	Certificate Course in Tailoring and Fashion Designing	Sociology	02	35
24	Foundation Course in Human Rights	Political Science	03	47
25	Certificate Course in Leadership Development	Political Science	03	42
26	Certificate Course in Stock Market	Economic	03	97
27	Certificate Course in Banking & Financial Sector	Economic	03	96
28	Certificate Course in GPS Surveying &Mapping	Geography	03	60
29	Certificate Course in Fundamentals of Soil and Water Analysis	Geography	03	58
30	Certificate Course in Psychological First Aid : Need of Time	Psychology	03	118

Sr. No.	Course name	Department	Duration	Enrolled Students
31	Certificate Course in Photography	Psychology	03	26
32	Certificate Course in Mindfulness and Relaxation Therapy	Psychology	03	96
33	Certificate Course in Yoga	Physical Education	01	11
34	Certificate Course in Travel and Tourism	Geography	04	87
35	Granthalaya Vyavasthapan Pramanpatra Abhyaskram	Library	02	13
36	Certificate Course in Pre-Primary Teacher Training	Sanskrit	3	10
37	Certificate Course in Sanskrit Grammar	Sanskrit	1	17
38	Certificate Course in Travel & Tourism	Geography	1	87
39	MSCIT		03	181
40	Tally		03	24

13.3. Dhananjairao Gadgil College of Commerce, Satara

Sr. No.	Course name	Enrolled Students
1	Certificate in Income Tax Practicing	102
2	Diploma in Income Tax Practicing	68
3	Adv. Diploma in Income Tax Practicing	102
4	Certificate in Human Resource Management	80
5	Diploma in Human Resource Management	37
6	Adv. Diploma in Human Resource Management	33
7	Certificate in Insurance & Risk Management	95
8	Diploma in Insurance & Risk Management	42
9	Adv. Diploma in Insurance & Risk Management	30
10	Certificate in Banking and Finance	57
11	Diploma in Banking and Finance	85
12	Adv. Diploma in Banking and Finance	101
13	Certificate in Banking and Civil Services	70
14	Diploma in Banking and Civil Services	105
15	Adv. Diploma in Banking and Civil Services	122
16	Certificate in E-Accounting	71
17	Diploma in E-Accounting	67
18	Adv. Diploma in E-Accounting	76

14. Chintaman Dwarkanat Deshmukh Chair for Financial Inclusion

Programmes Organized in Academic Year 2023-24

Sr.No.	Name of Programme	Date and Participants
1.	Account Opening Campaign of Students	Bank Accounts of More than 90 Students Opened in SBI in August 2023
2.	Contribution of Sir C.D.Deshmukh in Nation Building on the Occasion of Birth Anniversary of Sir C.D.Deshmukh	Chief Guest: Prin.Dr.Dnyandeo Mhaske President: Shri.Shriram Nanal Date: 15thJan. 2024

15. Laxmibai Bhaurao Patil For Woman Empowerment Chair Programmes Organized in Academic Year 2023-24

Sr. No.	Name of Programme	Date	Resource Person
1.	A Guest Lecture on “ Birth Anniversary of Krantijyoti Savitribai Phule”	03/01/2024	Dr. Shailaja Mane
2.	A Guest Lecture on “ Laws Related to Women”	12/02/2024	Adv. Manisha Barge

21.	Participation of Two Faculty and Six students in Swayamsiddha Yuvati Samelen organized by Shardabai Pawar Mahila Arts, Commerce and Science College, Baramati and secured second rank in the competition ‘Best Activity of College’	14/02/24 to 17/02/24	
22.	Guest Lecture on occasion of International Women’s Day in collaboration with Ladies Hostel Laxmibai Bhaurao Patil Women Empowerment Chair, KBP University, Satara on Women and Mental Health	07/03/24	Mrs. Mallika Patankar

28. Students Grievance Redressal Cell

Students' Grievance Redressal Committee (SGRC).

In pursuance of UGC University Grants Commission (Redressal of Grievances of Students) Regulations, 2023 is Students' Grievance Redressal Committee (SGRC) is constituted as under

Sr.No.	Name of the Member	Clause	Membership	Mobile No.
1.	Prof. (Dr.) Shivaji Patil	Section 5 (2) (a)	Chairman	9673633955
2.	Prof. (Dr.) Dhanaji Masal	Section 5 (2) (b)	Member	9860681838
3.	Prof. (Dr.) Ganesh Jadhav	Section 5 (2) (b)	Member	7020115625
4.	Prof. (Dr.) Dada Namdas	Section 5 (2) (b)	Member	9850752177
5.	Prof. (Dr.) Roshanara Shaikh	Section 5 (2) (b)	Member	9850040114
6.	Ms. Sayali Satish More	Section 4(c)	Member (YCIS)	9307120265
7.	Ms. Sanidhya Ganesh Pawar	Section 4(c)	Member (CSC)	7972563395
8.	Ms. Vaishanvi Bapu Yadav	Section 4(c)	Member (DGCC)	7058602562

29. Special Cell

The following activities conducted by the Special Cell in the college:

- Formation of Standing Committee
- The category wise students were analyzed from the total strength of the students. The detailed information regarding the students who were eligible for scholarship and the categorical data was prepared.
- Computer and Internet facility made available for filling the scholarship forms and browsing various schemes.
- The College made available the admission and scholarship rules and regulations.
- In the year 2023-24 admission process completed after filling all the concerned seats for SC/ST students. ? At the same time, college gives different scholarship under government schemes as well as college level to the concerned students for their upliftment.
- At the class level, each class teachers are taking deep concern for their academic and extracurricular activities.
- Mentoring facilities were also made available at the college level for academic purpose; teachers are conducting special remedial classes for the students.
- The College gives placement facilities with special reference to SC/ST students.

30. MoU, Collaboration and Linkages

The constituent colleges of Karmaveer Bhaurao Patil University have established MoUs with various institutions at the international, national, state, and university levels for academic and skill-based courses. In the academic year 2023-2024, Yashavantrao Chavan Institute of Science signed 2 new MoUs, bringing their total to 25 MoUs from the previous year. Chhatrapati Shivaji College, Satara, has a total of 36 MoUs, with 27 new agreements made in the current academic year. Dhananjayrao Gadgil College of Commerce has 12 MoUs. Overall, Karmaveer Bhaurao Patil University has signed a total of 75 MoUs.

31. Career Guidance Centre and Placement Cell

Career Guidance Training and Placement Cell of the constituent colleges of Karmaveer Bhaurao Patil University conducted various activities in the academic year 2023-2024. The students of the college benefitted from these activities and were selected in various companies and private establishments, providing them with employment opportunities. The activities implemented by the college are as follows –

31.1. Yashavantrao Chavan Institute of Science, Satara

Sr.No.	Activity	Date	Beneficiaries
1.	Student Training program on "Employability Enhancement & Youth Livelihood Program" Sponsored by Naandi Foundation's Mahindra Pride Classroom	11-01-2024 to 17-01-2024	60 Students
2.	Campus Drive : Accenture India	17/10/2023	50 students participated (2 students selected)
3.	One Day workshop on career opportunities in Biotechnology	07-03-2024	150 students
4.	Campus Placement Drive: Datwyler; Dbind wire products; Mutha engineering.	28-02-2024	8 Selected
5.	One Day workshop on career opportunities in Net and spring boot.	03-02-2024	60 Students
6.	A motivational lecture on the success stories on chocozone.	15-04-2024	45 Students

31.2. Chhatrapati Shivaji College, Satara

Sr.No.	Activity	Date	Beneficiaries
1.	One Day Workshop On Entrepreneurship as an Alternate Career Choice	29/08/2023	150
2	Students Enhancement	16/02/2024	41
3	Parents' meeting of students selected for IPro company training -	20/02/2024	
4	Campus Placement Drive Maruti Suzuki Arena, Satara	27/03/2024	04
5	Campus Placement Drive - Autobahn Trucking Corporation Pvt. Ltd., Bharat Benz Dealership Satara	30/03/2024	08

31.3 Dhananjayrao Gadgil College of Commerce, Satara

Sr.No.	Activity	Participated	Selected Students
1.	Campus Interview – BVG India	35	08
2	Campus Interview – Tata Consultancy Services	127	59
3	Campus Interview – Wathare Hygiene Solution	25	04
4	Campus Interview – Nexdigm Private Limited	15	01
5	Mock interview for IBPS	20	04

14	Swastik Micro Finance	-	01
15	TCS and MBA Entrance Training Program	130	-
16	Guest Lecture on Interview Techniques	120	-
17	Guest Lecture - Personality Development	95	-
	Total		89

32. NSS

Information about the National Service Scheme (NSS) of Yashwantrao Chavan Institute of Science, Satara, Dhananjayrao Gadgil College of Commerce, Satara, and Chhatrapati Shivaji College, Satara is as follows:

The National Service Scheme (NSS) is a remarkable initiative in academic outreach. It helps to inculcate the spirit of volunteerism among students and provides an opportunity for continuous interaction with society. The NSS units in our colleges have been highly active since their inception, focusing on meaningful social work that addresses the needs of the community.

Objectives of NSS:

1. To provide students with opportunities to understand and appreciate societal problems.
2. To facilitate personality development through community service.

Our college operates two NSS units, each accommodating 100 students. NSS activities are classified into two categories:

- a) Regular Activities 120 hours,
- b) Special Camp Activities 120 hours

Goals of NSS:

- NSS is a great experiment in academic outreach.
- Students engage in socially beneficial activities based on community needs.
- NSS aims to offer students educational experiences through social service.
- It enhances students' understanding of societal issues and equips them with problem-solving skills.
- It provides opportunities for personality development through community service.

NSS Activities and Achievements:

Through various NSS activities, students have:

- Gained an understanding of the society they work in.
- Developed a sense of social and civic responsibility.
- Cultivated leadership skills and democratic values.
- Built disaster management capabilities.
- Promoted national integration and social harmony.

The report details various camps, workshops, and special programs where students participated at the state and national level activities. Some key initiatives include:

- Green Wari and Clean Wari Campaigns
- Swachh Bharat Mission (Clean India Movement)
- Voter Awareness Campaigns
- Special University-Level Camps

In January and February 2024, several significant NSS camps were conducted:

- University-Level Special Camp at Malgaon (Jan 19-21, 2024) 150 beneficiaries
- State-Level Republic Day Camp (Jan 17-26, 2024) 1 participant
- State-Level Modern Agriculture and Youth Workshop (Feb 20-24, 2024) 1 participant
- State-Level Disaster Management Camp (Feb 6, 2024) 4 participants
- State-Level Leadership Inspiration Camp (Feb 17-21, 2024) 6 participants
- University-Level Panhala-Pavankhind Camp (Feb 26, 2024) 6 participants

Dhananjayrao Gadgil College of Commerce, Satara, has two NSS units with a total of 200 student volunteers. From **June 2023 to March 2024**, NSS volunteers actively participated in various national and social initiatives, including:

- 'Clean Wari' Campaign at Lonand and Phaltan (June 18-26, 2023)
- International Yoga Day (June 21, 2023)
- International Youth Day (August 12, 2023)
- Disaster Management Awareness and Forum Activities (August 14, 2023)
- Tree Plantation on Independence Day (August 15, 2023)
- Plastic-Free Campaign and Clean India Drive (Sept 25, 2023)
- 'My Soil, My Nation' Program at Delhi (Oct 31, 2023) 1 participant
- Constitution Day Rally (Nov 26, 2023)
- AIDS Awareness Rally (Dec 1, 2023)
- National-Level Disaster Management Camp at Gondwana University, Gadchiroli (Dec 25, 2023 Jan 3, 2024) 1 female participant
- Leadership Awareness Program (Jan 13, 2024)
- Special 7-Day Village Camp at Shivajinagar, Satara (Feb 5-11, 2024)
- Panhala-Pavankhind Trekking Camp (Feb 24-26, 2024) 4 participants

Throughout the year, NSS volunteers actively engaged in numerous social, national, and environmental initiatives, making significant contributions toward societal well-being. The NSS unit at Chhatrapati Shivaji College, Satara, in collaboration with Shivaji University, Kolhapur, and Karmaveer Bhaurao Patil University, Satara, organized several programs during the 2023-24 academic year, including:

- Environmental and Cleanliness Campaign 'Green Wari, Clean Wari' (June 20-22, 2023) 15 volunteers
- 'My Soil, My Nation' Initiative (Aug 9, 2023)
- Women Empowerment Program 'Lek Ladki Abhiyan' (Aug 12, 2023)
- Tree Plantation (Aug 14, 2023)
- Blood Donation Camp (Oct 3, 2023)
- Constitution Awareness Rally (Nov 26, 2023)
- Voter Awareness Drive (Jan 25, 2024)
- Special NSS Camp at Mouje Apshinge, Satara (Jan 18-24, 2024)

During the special camp, volunteers cleaned public roads, temples, bus stations, and school premises, worked on groundwater recharge for a historical well, and built a small dam for sustainable development. Awareness campaigns on voting, women's education, water conservation, and superstition eradication were conducted. Experts delivered lectures on various social, constitutional, and environmental issues. The success of these activities was made possible through the guidance and support of college principals, university NSS coordinators, faculty members, and the dedicated participation of NSS volunteers.

33. NCC

The National Cadet Corps (NCC) is dedicated to instilling leadership, discipline, and a sense of national service among cadets. The primary objective of this institution is to inspire young individuals to serve the nation and encourage them to join the armed forces. The motto of NCC is "Unity and Discipline."

The NCC unit at Yashavantrao Chavan Institute of Science, Satara, is known as A/2 Company, affiliated with the 22 Maharashtra Battalion NCC, Satara, under the Kolhapur Group. This unit has an approved strength of 165 cadets, including 55 regular cadets and 105 FSFS (Fully Self-Financed Scheme) cadets. The distribution of cadets is as follows: 18 in the first year, 13 in the second year, and 15 in the third year. The FSFS cadets comprise 41 in the first year and 28 in the second year. The training period spans three years, consisting of 300 hours of rigorous training covering basic military training and leadership development. This training is conducted from April 1st to March 31st each year. The FSFS cadets are required to pay a training fee of Rs.6000 for the first year and Rs.5000 for the second year. Additionally, first-year FSFS cadets are provided with uniforms.

During the academic year 2023-24, NCC cadets actively participated in various state and national-level camps, including Army Attachment Camps, CATC Kolhapur, and TSC IGC. Notably, CDT Rahul K. Dhanawade represented the unit at the National Level Pune Army Attachment Camp, while CDT Tejas B. Kadam participated in CATC Kolhapur at the state level. Several activities were organized for cadets, such as Post-Disaster Relief Techniques, a Group Commander's Visit, International Yoga Day, Independence Day celebrations under the "Har Ghar Tiranga" campaign, Adventure Training Camps, and World Water Day events. A cleanliness drive was conducted throughout the year within the college campus, engaging more than 300 cadets.

Many cadets from the unit successfully joined the armed forces, including JUO Rishikesh Desai (recommended through AFCAT), CDT Akshay Y. Dafle (EME, Secunderabad), CDT Ankur

Karmaveer Bhaurao Patil University, Satara

Vijay Sawant (Corps of Signals, Goa), CDT Sangram Devdas Lokhande (Corps of Signals, Goa), and CDT Prithvish Arvind Yadav (Corps of Signals, Goa). The enrollment process for the new cadets commenced at the beginning of the year, with a total of 38 new cadets joining in the first year, including 13 SW (girls). The overall enrollment for the year reached 105 cadets, distributed as follows: 21 SD (boys) and 12 SW (girls) in the third year, 18 SD and 14 SW in the second year, and 25 SD and 15 SW in the first year.

The NCC unit actively participated in various community service initiatives. On June 21, 2023, cadets participated in an International Yoga Day session to promote health awareness. On August 25, 2023, cadets planted trees in the vicinity of Ajinkyatara Fort to encourage environmental conservation. A cleanliness awareness campaign was conducted on October 1, 2023, while on February 10, 2024, cadets took part in the 35th Road Safety Campaign at the RTO office. Additionally, a trekking expedition was organized on January 30, 2024, at Raigad Fort. To provide valuable guidance to students, a special session on paramilitary career opportunities was held on October 13, 2023, featuring CISF officer Rutuja Pawar, who provided insightful career advice to aspiring candidates.

Several cadets achieved remarkable success at state and national levels. SUO Sakshi Vilas Salunkhe was honored with the Best Cadet Award from the Kolhapur Group. JUO Gautami Vikas Ghatge and SGT Shivani Vinod Barge represented the unit at the All India Thal Sainik Camp, Kolhapur, at the IGC level. SGT Vaibhavi Uddhav Nanavare represented the unit at the Republic Day Camp in Pune at the IGC level. Furthermore, JUO Abhishek Yuvraj Raje, LCPL Harshal Jitendra Kadam, CDT Sahil Vinod Jadhav, CDT Vikash Vijaykumar Shinde, and CDT Omkar Pradeep Patole participated in the Army Attachment Camp at Ahmednagar and Pune. CDT Shivani Shivaji Jadhav participated in the EBSB Camp at Jalgaon.

The NCC unit upheld high standards of discipline, duty, and service through its initiatives, community engagements, and cadet achievements. The cadets' outstanding performances reinforced national unity and social responsibility. Under the proficient leadership of Lieutenant Dr. K. L. Pawar, the college's NCC unit excelled in military and adventure training during the academic year 2023-24. A total of 22 cadets, including 14 girls and 8 boys, were selected. On August 29, 2023, a physical fitness test was conducted at Satara Sainik School under the supervision of 22 Maharashtra NCC Battalion Commanding Officer Colonel Deepak Thonge and Subedar Major Satish Tapase, leading to the final selection of cadets.

During the academic year, 68 cadets actively participated in various national, state, and group-level camps and competitions, achieving significant accomplishments. Senior Under Officer Gargi Sakhare represented the college at the All India Thal Sena Camp in New Delhi, securing a silver medal, marking a prestigious achievement after 12 years for a Shivaji College cadet. Sergeant Omkar Pawar demonstrated excellent leadership skills at the Army Attachment Camp in Ahmednagar. Sergeants Aditya Sable and Omkar Waghmale participated in an Army Attachment Camp held at the 8 Mahar Regiment, Ghorpadi, Pune.

At the Combined Annual Training Camp at Sainik School, Satara, under the leadership of Sergeant Gayatri Bhilare, 12 cadets participated, while five cadets attended a similar camp in Mahagaon. Gayatri Bhilare and Sonali Kadam were selected for the Pre-RDC 2024 at the Kolhapur Group Headquarters Camp. Four cadets represented the unit at the Pre-RDC Camp in Kolhapur, and Sergeant Prachi Jagtap and Guru Mane were selected for the Inter-Group IGC

Pre-RDC Camp in Pune. In adventure training, cadets Omkar Raut and Vishal Pawar exhibited remarkable performances at the Shivaji Trial Track Camp at Panhala. Additionally, Sergeant Sonali Kadam attended the Ek Bharat Shreshtha Bharat (EBSB) National Camp in Aurangabad, focusing on the values of the Indian Constitution. Through all these initiatives, the college's NCC unit upheld an exemplary standard of discipline, duty, and commitment to service. The NCC unit's participation in various camps, social service programs, and leadership development activities has played a pivotal role in fostering national integrity and social responsibility. Through discipline, perseverance, and commitment, the cadets have not only honed their skills but have also contributed significantly to the greater good of society.

34. Best Practices

Among the various departments of the constituent colleges of Karmaveer Bhaurao Patil University, two best practices are as follows – Yashwantrao Chavan Institute of Science, Satara's, 'Earn and Learn Scheme' and 'Y.C. Science Exhibition cum Fair' are the best practices. Chhatrapati Shivaji College, Satara's, 'Earn and Learn Scheme' and 'Principal Sumatibai Pandurang Patil and Barrister P.G. Patil Competitive Exam Guidance Centre' are the best practices. Dhananjairao Gadgil Commerce College's best practices are 'Trade Fair Day' and 'Entrepreneurship and Skill Development Department'.

34.1. Yashwantrao Chavan Institute of Science College

34.1.1. Earn and Learn Scheme

'Earn and Learn Scheme' is the best practice of Y. C. College. This scheme helps economically weaker and needy students to complete their education. To make students aware about work culture and dignity of labour, the institute has started Yashwantrao Chavan Institute of Science Primary Consumer Store outlet from the academic year 2022. In this outlet, products prepared and developed by college students are available in addition to the daily needs of the students. This store is run under the 'Earn and Learn' scheme and it gives students real-life experience in production, marketing and accounting. This will develop future entrepreneurs. This academic year, 29 students have registered under the 'Earn and Learn' scheme.

34.1.2. Y.C. Science Exhibition cum Fair

In the academic year 2017-18, the college launched 'Y.C. Fair' as a best practise of the college. The aim of this program is to increase self-reliance and employability of budding entrepreneurs by providing them with hands-on experience in product manufacturing, marketing and innovation. This year's 'Y.C. Fair-2024' was held on 4th and 5th April in the parking area of the college. 55 stalls were set up showcasing the creativity of students from 18 departments. NSS, NCC, Sports, Cultural Committee, Earn and Learn Scheme and other departments also actively participated. This trade fair was inaugurated by Hon. Vasantrao Phadtare (Chairman, Kavitsu Group, Satara), Hon. Dhairyasheel Gaikwad (Manufacturing Association, Satara), Hon. Prin. Dr. Dnyandev Mhaske (Joint Secretary, Rayat Shikshan Sanstha, Satara), Hon. Principal Dr. B.T. Jadhav were the chief guests. The participants stalls were evaluated by the judges and the best stall was declared. The valedictory ceremony was held in the presence of Hon. Dr. Rajendra More, Principal, Chhatrapati Shivaji College and Hon. Prin. Dr. B.T. Jadhav and all the Vice-Principals. Dr. Neha Patil worked as the coordinator of this trade fair.

34.2 Chhatrapati Shivaji College, Satara

34.2.1 Prin. Sumatibai Pandurang Patil and Barr. P.G.Patil Competitive Examination Guidance Centre

The best practice of the college, Chhatrapati Shivaji College Satara is the competitive examination guidance centre. The center provides MPSC Foundation Course, 12th Police Recruitment Pre-training classes. In this academic year 2023-2024, special guidance lectures were organized on the subject of 'MPSC Exam Preparation' by Hon. Ganesh Kale (Pune), 'Guidance on Political Science Subject' by Hon. Yogesh Jadhav (Khatav), 'Guidance on General Science Subject' by Gauri More (Satara), 'Guidance on Reasoning Ability Subject' by Hon. Kalpesh Aaher (Satara). At the same time, a workshop on the topic of 'Competitive Examination' was organized on 7th October, 2023 and 21st December, 2023. During this year, 118 students were selected examinations in various government and semi-government departments under the guidance of Hon. Prin. Dr. Rajendra More and Prof. Dr. Shivaji Patil, director of this centre and Prof. Dashrath Jadhav was the coordinator.

34.2.2 Earn and Learn Scheme

Padmabhushan Dr. Karmaveer Bhaurao Patil, founder of Rayat Shikshan Sanstha, started this innovative scheme to enable students from the deprived community to complete their education through self-reliance. Students from different castes and religions are admitted to the 'Earn and Learn' scheme in Chhatrapati Shivaji College. Students are provided free food, accommodation and educational facilities through this scheme. In the academic year 2023-2024, a total of 63 students, 41 boys and 22 girls, have been admitted to this scheme. The result of the examination of these students is hundred percent. In the academic year 2023-2024, three students from the 'Earn and Learn' scheme were eligible for the Barrister P.G. Patil scholarship. Students from the 'Earn and Learn' scheme produce modern crops, vegetables and fruits in agriculture in a very excellent manner under the guidance of the college Prin. Dr. Rajendra More, coordinator Dr. Ramraje Mane-Deshmukh, Prof. Sandeep Bhujbal and Prof. Varade Patil.

34.3 Dhananjairao Gadgil College of Commerce, Satara

34.3.1 Trade Fair Day

With the aim of developing entrepreneurial skills among the students of Dhananjairao Gadgil College of Commerce, Satara, the college celebrates 'Trade Fair Day' every year on 14th February as a best practice. This event in the academic year 2023-2024 was celebrated on 14th February, 2024. Around 50 stalls were set up by the students in this event. Various food items, fun activities, goods, services, etc. were put up for sale. The students carefully selected the products for sale keeping in mind the needs, interests and current demands of the people. The students were encouraged to devise innovative advertising plans and strategies to attract customers. The meet was visited by more than 15000 people including alumni, parents, businessmen and famous personalities from various places. The average turnover of this venture was Rs. 15 lakhs. Students help social enterprises with the profits they receive. Overall, through this activity, students gain practical knowledge about how to choose a business, location, recognition, opening, advertising, advertising courtesy, purchasing, selling, accounting, profit, profit sharing, etc. They also get the opportunity to understand the psychology of customers.

34.2.2 Entrepreneurship and Skill Development Cell

With the aim of preparing students as entrepreneurs who create employment opportunities, the college has started an 'Entrepreneurship and Skill Development Center', which is an excellent best Practice. The employability of students is increased by enriching entrepreneurial skills through training and various activities. The cell takes an initiative to empower women through entrepreneurship, to promote agricultural processing and related industries.

35. Consumer Stores

The 'Earn and Learn Scheme' is a significant initiative of our college, designed to provide financial assistance to economically disadvantaged and needy students. This scheme not only supports students financially but also promotes their holistic development by fostering academic excellence and reinforcing a commitment to an egalitarian society.

To instill values of work culture and dignity of labor, the college established the YC Consumer Store in the academic year 2022-2023. Additionally, an outlet was opened at the women's hostel to expand the initiative. The store offers a variety of products prepared by different departments of the college, all available at affordable prices. Operated under the Earn and Learn Scheme, the store provides students with hands-on experience in production, marketing, and accounting, helping to cultivate entrepreneurial skills.

In the academic year 2023-24, the YC Consumer Store generated a total profit of Rs.30,000/-, marking a successful step toward empowering students through experiential learning.

36. NEP Implementation

In accordance with National Education Policy 2020, KBPU, Satara implemented NEP-2020 from academic year 2023-2024 (NEP 1.0) for first year of undergraduate and post graduate courses. New guidelines were provided by Government of Maharashtra for implementation of NEP-2020 in academic year 2024-2025 and KBPU, Satara implemented it in full fledge as NEP 2.0 for first year of undergraduate and post graduate students. KBPU, Satara prepared the regulations for NEP-2020 implementation and shall come into force from academic year 2024-25 onwards. These regulations shall be implemented from the academic year as mentioned below:

36.1 Faculty of Science & Technology

36.1.1 Yashwantrao Chavan Institute of Science College

Level	Programme	From Academic Year
Undergraduate Programme:		
Level 5	Undergraduate Certificate (One year or two semesters)	2024-25

Karmaveer Samadhi Parisar

रयत गीत

रयते मधुनी नव्या युगाचा माणूस आता घडतो आहे
वटवृक्षाच्या विशालतेचा मोह नभाला पडतो आहे !! धृ !!

कर्मवीरांचे ज्ञानपीठ हे शक्तीपीठ ही ठरते आहे
शाहू फुल्यांचे समानतेचे तत्त्व मानसी मुरते आहे
धर्म जातीच्या पार गांधींचे मूल्य मानवी जपतो आहे...१

गरीबांसाठी लेणी मोडून लक्ष्मी वहिनी ठरली आई
कमवा आणि शिका मंत्र हा, तरुणाईला प्रेरक होई
स्वावलंबी वृत्ती ठेवून ज्ञान साधना करतो आहे...२

दीन दलितांसाठी आण्णा तुमची झिजली चंदन काया
अनाथ जीवा सदा लाभली मातृहृदयी तुमची माया
शून्यामधल्या नवसृष्टीचा निर्मिक तोही ठरतो आहे...३

जीवनातला तिमिर जावा प्रबोधनाची पहाट व्हावी
इथे लाभले पंख लेवूनी उंच भरारी नभात घ्यावी
प्रतिभाशाली बहुजनांचा वेलू गगनी चढतो आहे...४
