

Seed Money Projects (2022-23)

Sr. No	Project Title & Name of PI / Co. PI	Amount Sanctioned In Rs.	Supporting Documents
1.	<i>Synthesis and Characterization of Pristine, Doped Zinc Oxide (ZnO) nanofibers For Piezoelectric Sensor Application.</i> <i>Mr. S. S. Barkade</i>	50000.00	View Document
2.	<i>Isolation, Identification and Characterization of Biosurfactant Producing Bacteria from Soil.</i> <i>Ms. M. M. Raut</i>	50000.00	View Document
3.	<i>Synthesis of NiMn LDH electrocatalyst for electrochemical water splitting and supercapacitor.</i> <i>Mr. S. D. Jituri</i>	50000.00	View Document
4.	<i>Studies on fungal diseases in and around Satara District.</i> <i>Dr. A. S. Kadam</i>	50000.00	View Document
5.	<i>Biopesticidal efficacy of some local plants to control Callosobrachus maculatus (F.) infestation in stored grains.</i> <i>Dr. S. P. Zanke</i>	50000.00	View Document
6.	<i>Probiotic evaluation of gut flora of Indian major carp Labeo rohita.</i> <i>Mr. U. M. Shevale</i>	50000.00	View Document
7.	<i>AI Application for urological disease diagnosis and predictive model.</i> <i>Mr. S. A. Doke</i>	50000.00	View Document
8.	<i>Study of properties of subclasses of analytic univalent function.</i> <i>Mr. S. S. Nalavade</i>	50000.00	View Document
9.	<i>Effect of organic chemicals on growth of some agricultural Vegetables.</i> <i>Ms. M. S. Bagul.</i>	50000.00	View Document
10.	<i>Chemosynthesis of metal different oxides for organic transformation.</i> <i>Dr. V. B. Ghanvat</i>	50000.00	View Document
11.	<i>Blood inventory management of Satara City.</i> <i>Mr. K. A. Ghorpade</i>	50000.00	View Document
12.	<i>Survey to study impact of drought in Satara district with respect to climatic changes.</i> <i>Dr. S. M. Nimbale</i>	50000.00	View Document
13.	<i>The exploratory study to evaluate the millet bi-products in Satara region.</i> <i>Miss. S. Kadam</i>	50000.00	View Document

14	<i>Survey of use of advanced technology in agriculture sectors in Satara district.</i> <i>Mr. P. Kadam</i>	50000.00	View Document
15	<i>The study of Scio-economical parameters of farmers in Satara districts with special reference to Man-Khatav and Phaltan Tehsil.</i> <i>Mr. S. Khandagale</i>	50000.00	View Document
16	<i>Organic farming for sustaining the health of soil and ecosystem.</i> <i>Mr. B. S. Pawar</i>	50000.00	View Document
17	<i>Wide Survey, Sustainable harvesting and analysis of turmeric.</i> <i>Dr. S. B. Kamble</i>	50000.00	View Document
18	<i>Assessment of Pollution biotic index of river Krishna and analyzing its impact on the ecological status.</i> <i>Dr. N. N. Bendre</i>	50000.00	View Document
19	<i>Germplasm Collection and conservation of Millets.</i> <i>Dr. P. R. Lawand</i>	50000.00	View Document
20	<i>Pre and Post harvest of pomegranate farming.</i> <i>Dr. P. Mandave</i>	50000.00	View Document
21	<i>Study, Survey and analysis of Pre and Post harvest of Strawberry framing.</i> <i>Dr. P. R. Dure</i>	50000.00	View Document
Total		1050000.00
