**Subject: Request to Add MSFDA Website Link & Upload MSFDA Announcements on University Website**

Greetings from the Maharashtra State Faculty Development Academy (MSFDA), Pune.

MSFDA, a Section 8 company established by the Department of Higher and Technical Education, Government of Maharashtra, is mandated to plan and implement faculty development and capacity-building initiatives for Higher Education Institutions across the state. All State Public Universities are shareholders of MSFDA, and your continued support is vital for ensuring coordinated academic development efforts in Maharashtra.

To ensure that faculty members across all affiliated institutions receive timely access to MSFDA's programs, circulars, and academic initiatives, it is requested that your esteemed University kindly undertake the following:

1. **Add a dedicated tab/link to the MSFDA official website ([www.msfdac.ac.in](http://www.msfdac.ac.in)) on your University homepage along with MSFDA logo.**
2. **Regular uploading of MSFDA program calendar, flyers, announcements, and notifications in your University's "Announcements/News/Updates" section for ease of access.**
3. **Share the details of a dedicated contact person (name, designation, email, and mobile number) from your University who will coordinate with MSFDA for uploading flyers and updates on a regular basis.**

These measures will significantly improve statewide outreach and ensure that all faculty members receive timely information regarding MSFDA's capacity-building initiatives, FDPs, training programs, policy updates, and academic resources.

You are requested to kindly take the above actions at the earliest and share a brief confirmation with this office along with the contact details of the designated coordinator.

Thank you for your cooperation and continued partnership in strengthening faculty development across Maharashtra.

Warm regards,

  
(Dr. Rajendra Bharud, IAS)
